

# ZONING REGULATIONS

## Charles County, Maryland

*Updated with Amendments  
Through March 2, 2015*

### **What's new with this most recent update?**

- All text amendments that have been adopted and enacted, through March 2, 2015, have been incorporated into this update.
- The entire document has been comprehensively reformatted in an attempt to ensure that the content is as up-to-date as possible, the appearance is more consistent throughout the document, and that minor editing related issues are corrected.

### **Coming soon...in the next update process for late Spring 2015**

- New reference/administrative/editorial additions:
  - An *Index of Terms* will be added to the end of the document. This document will contain an alphabetized list of more commonly researched regulatory items and processes from within the Zoning Regulations.
  - An *Adopted Amendments Summary* will also be added to the end of the document and will provide a comprehensive listing of all prior Zoning Regulation amendments.
